FOR ALL LANDOWNER PREFERENCE: Landowner preference is applied only to the first choice hunting district. Only one person may be delegated landowner preference for each sole proprietorship, partnership or corporation. You may NOT apply for landowner preference for antelope or elk if you are applying as a party member. A corporation may delegate the landowner preference to a shareholder. If the permit or license is valid for a portion of the hunting district only, the landowner must own the land within that portion.

FOR ANTELOPE, SPECIAL DEER PERMIT & DEER B LICENSES: To qualify for landowner preference, you must own or be contracting to purchase at least 160 acres of land in the hunting district for which you are making application. Your property must be primarily used for agriculture. Partnerships may delegate landowner preference to members of the immediate family (blood related or marriage related) or employed ranch manager (paid employee who has state, federal or FICA taxes withheld from pay). Hunters who draw a special permit to hunt mule deer may not hunt mule deer bucks anywhere else in Montana.

FOR ELK: To qualify for landowner preference, you must own or be contracting to purchase at least 640 acres of contiguous land, used by elk in the hunting district for which you are making application. Unusual or infrequent sightings of one or a few elk is not sufficient qualification for landowner preference. Contiguous land is land that is not interrupted by adjacent private land. Partnerships may delegate landowner preference to members of the immediate family (blood related or marriage related) or employees who have state, federal or FICA taxes withheld from their pay.

FOR ELK PREFERENCE: (FIRST DISTRICT CHOICE ONLY) Legal Description of 640 acre; Township, Range and Section)
